These **All Call Messages** will occasionally be followed up with notes home...let's save our PTC funds for activities instead of paper notes home. Thank you for your support.

Welcome to all the new students and their families to Cloverland!

Meeting in Review:

August 20, meeting was a great turnout of dedicated parents! Thank you for attending and your support of our students and teachers! We had a great group of returning and new faces! Out of the new faces we are so grateful that kindergarten mom Kim Cheatham has volunteered to become chairperson for our district wide Jog A Thon fundraiser. Thank you Kim for stepping up and supporting our wonderful school! Please check your students' backpacks and binders for the PTC Volunteer Information Sheet for 2009-2010. This information is updated on a yearly basis and helps coordinate all our great volunteers where time is best suited. We look forward to receiving your information.

Message from your President:

Dear Parents,

Welcome back! I look forward to working with everyone this new school year! Please look out for information regarding this year's new fundraiser, "Spaghetti Drive Thru Dinner" coming up in November! Your continued support with our Art Corp™ program is so very much appreciated. Please join in for the orientation scheduled September 1. This year our Jog A Thon theme is "Jog To Make A Difference!" Your contributions will make a tremendous difference in our school's activities for this school year! Go Cougars!!

First Day of School: The first day of school started off with a wonderful expression of gratitude ... with flowers. A special thank you goes out to Mr. & Mrs. Cobarruvias, Johanna Frame, Ashly Ferreira, Christy Whitley and many more that graced our students with a flower to give to each teacher for the first day of school. What a wonderful event. Thank you, Maria, for having such a special vision!

Jog A Thon: This year's T-shirt design winner is Hannah Chappell. Congratulations, Hannah! Our kickoff for fundraising will begin the week of September 14. This is our biggest fundraiser of the year. Jog A Thon monies help support our school by funding Art Corp.™, field trips, assemblies, Outdoor Ed. and many more student activities...so please go out and raise as much as you can! If each student raises \$80 or more, then our school's PTC can continue to support these wonderful activities at our school.

Yearbook: Thank you to Sherry Flores and the entire group of dedicated volunteers for bringing together the 2008-2009 yearbook. During the weeks after school let out and the beginning of school, yearbooks were handed out after the unfortunate late delivery. Lifetouch expresses their deepest apologies for not meeting the deadline dates. We have a few students that still have not collected their yearbook. A list will be posted on the PTC board in the hallway with your name and a final pickup date.

Art Corps: Will begin the season with an orientation scheduled for September 1st. Please come view the process that brings the gift of art to the lives of our Cloverland students and parents. Your parent support with this project is what helps set our school aside as a cheerleader in the extended education of our students.

Student Store: Will be open during the months of October and December only. A volunteer will be needed to be open during 2010, as our wonderful Mrs. Paulus will be out on Maternity Leave the remainder of the year! Please contact Crystal Tredway (no. below) for details. Please look out for an order form to come home regarding Cougar Gear August 31. There will be a table set out in front of the school to place these orders on Sept. 2 & 3, from 2:00pm until 3:00pm. Mark your calendars....so you don't miss out!
