

Become a Partner in Excellence

Oakdale HS Renaissance Pledge to Excellence

Renaissance is a National movement designed to recognize, reward and encourage academic growth and excellence in education. Pledge to Excellence donations go directly to OHS Renaissance students and to support the OHS Academic programs and clubs. Students are recognized with tangible rewards and are showcased at school Renaissance rallies throughout the year.

All students are eligible to earn Renaissance status. Students are rewarded for their level of academic performance, even **improved** academic performance. Often, Renaissance incentives encourage a low performing student to work to improve even one grade, thus earning them a White Renaissance Card. Have confidence that your **tax deductible** Pledge to Excellence contribution will benefit our Oakdale High school students.

(Please return this portion with your donation)

To make a donation, circle desired level of participation and mail check to:
