## **Campus Construction Update:**

### **New Buildings**

Oakdale Junior High is near completion of three new buildings containing 22 permanent classrooms. The new buildings will also include a band/choir room and two small offices. The rooms will get new furniture and will be outfitted with technology over the next semester. We will complete moving in during the summer and the classrooms will be ready for students on the first day of the 2010/2011 school year.

## **Benchmark Testing**

Benchmarks in English, Math, Science and History are given at the end of each quarter. It's important for students to do their best on these exams. OJHS teachers use the results to assess how the students are progressing towards mastery of state standards and to revise the pacing calendars for future students. If at all possible, please make sure your student is at school the day these tests are given.

### Perfect Attendance Campaign

In October, OJHS, along with our Parent Teacher Club, started the Perfect Attendance Campaign for 2009-2010 and it will continue until the end of this school year. Each month, all students with perfect attendance (for the prior month) will receive a raffle ticket to enter a drawing. On the 1<sup>st</sup> Friday of each month, we will draw names for movie tickets and gift cards. In addition, students with two months of perfect attendance, and who are eligible, will qualify for an end of the year movie trip to Galaxy Theatre.

## Nurse's Office

California State Law requires that all school districts provide Scoliosis Screening for 7th grade girls and 8th grade boys, with qualified personnel to conduct such screenings. Scoliosis Screening will be held Wednesday, March 3rd, during the student's P.E class. Parent Consent forms will be coming home in February.

### Yearbooks

Yearbooks are still available while supplies last. You can purchase a yearbook for \$37.00 with cash or check paid to the order of OJHS.
